Extreme Cold Hinders Firemen

Sub-zero temperatures hampered firemen early Tuesday morning, March 6, as they battled a structure fire at the Dedafoe residence on Wakeley Bridge Road near Pine Road.

Firemen from the Grayling City and Township Fire Dept. arrived at the fire shortly after 4 a.m. and found the home engulfed in flames. The extreme cold caused fire fighting equipment to ice up making it difficult for the firemen.

The residence was a total loss, as was a pick-up truck that was parked adjacent to the home. Joseph and Helen Dedafoe, owners of the home, were on vacation in the Upper Peninsula. The residence was unoccupied.

The Frederic Township Fire Dept. was also called to assist at the scene.

The cause of the fire is still under investigation.

Rotary Minstrel Show Switches To Reserved Seating

For the first time in its history and by popular demand, the Grayling Rotary Minstrel Show this year will feature reserved seating.

According to Dick Albee, ticket chairman, the first 200 seats in the Joseph Stripe Auditorium in Grayling High School will be reserved. He said that these tickets, as well as general admission, will be available at Grayling State Bank. Rotary Club members will also sell general admission tickets and will be happy to assist anyone unable to get to the bank in obtaining the reserved seats.

Reserved seats will cost \$7.50 each with general admission at \$5. The theme this year as usual is a well guarded secret but peg legs, eye patches and swords may be in abundance.

The dates of this year's extravaganza will be Friday and Saturday, March 30 - 31.

Blood Donors Help 4 Ways

The Crawford County American Red Cross will have a Blood Bank on Wed., March 7, at the American Legion

Hall, from noon to 6 p.m. Dial a Ride, 348-5409, will pick you up and take you back home, without charge, if you come to donate a pint.

Did you know that every pint of blood you donate can help as many as 4 other people? The Plasma can help a burn or a shock victim. The red cells can restore an accident victim or a surgical patient. Still other parts can help someone with a rare disease. That's a lot of power in one pint.

conflict, he was unable to attend the meeting. Two types of support were discussed. One type of support is a full sponsor ship that would require each government unit to pay a livet undetermined amount of money" per resident per year into an ambulance equipment replacement account. The other type of support is paying into the ambulance equipment depreciation fund on a contractual basis.

County treasurer Joe Wakeley, county representative on the ambulance committee, said the group was looking into whether the second option would accomplish the same goals as full sponsorship, but eliminate their liability should a lawsurt ever be levied against the ambulance service. He said he thought the issue of liability was the primary concern keeping the group from committing to sponsorship.

"If they become a sponsor and there is a lawsuit, can the county and the city and the townships and the hospital all become part of the suit?" asked Wakeley. "It is a legitimate concern that needs to be looked at before they agree to be

South Branch, Frederic and Maple Forest townships already have ambulance services for all or part of their residents in place and Wakeley said different agreements may have to be negotiated with them than the agreements made with the remaining townships.

"The committee is optimistically proceeding with the idea that ambulance revenue will take care of ambulance expenses," said Wakeley, "as long as it does not have to set aside funds to replace equipment." He said to accomplish this balance, ambulance rates will have to be set high enough to cover its operating costs.

Wakeley said the ambulance committee did not go to the city and townships with any pre-conceived ideas or a proposed budget because they wanted all the sponsors to participate in putting together the terms of incorporation documents and

"We had a good response from them," he said. "They have not guaranteed that they will be sponsors, but they picked John Hartman, Beaver Creek supervisor and Jerry Morford, Gray ling city manager, to work with the committee and be involved in future ambulance discussions."

Wakeley said the committee was also trying to enlist ambu lance support from the business and industrial segment of the community. He said the committee will be meeting with

Jail Revenues Increase \$29,000

By Susan Schroeder

The Crawford County Jail experienced a dramatic increase in revenues during 1989, skyrocketing from \$810 in 1988 to over \$30,000 in 1989.

According to the Crawford County Sheriff Department's 1989 Annual Report, the increase to \$30,624.24 resulted primarily from the county's ability to board prisoners from other counties. Camp Lehman inmates are also bounded at the county jail when camp officials need to remove an inmate from minimum security to a lock-up situation. Boarding out of county prisoners is possible only when space is available.

The county received \$40 per day per out-of-county and Camp Lehman prisoners. Thirty-five dollars per day was Rainbow Fitness: Ralph received by the state for prisoners sentenced to a county iail when, according to sentencing guidelines, the prisoner could have gone to a state facility.

Animal Control Officer Dixie Lobsinger attributed this increase to the shelter's extended hours, publicity, kennel licenses (issued for the first time in 1989) and the additional dog licenses issued as a result of enforcement of the 1989 dog census.

29 Inducted Into Honor Society

The Grayling High School Chapter of the National Honor Society exists to honor juniors and seniors who possess outstanding qualities in the areas of Scholarship, Leadership, Service and Character.

The 1989-90 GHS membership includes 14 seniors and 15 juniors who, by virtue of their outstanding achievement in the four significant Bindschatel, areas of performance, have been inducted into NHS during the past two years.

NHS Officers are chosen from the senior members. President is Melanie Ojala; Vice-President, Kevin Austin; Secretary, Paula Nunn; and Treasurer, Hannah Peterson.

The other senior members include: David Bentley, Chris

Andreas Eriksson (Honorary Member), Teresa Ferguson, Lana Hagon, Margaret Kraus, Susan Nelson, Margarita Perez, Aimee Rochette, and Nicole Trenary.

Juniors to be inducted into the NHS last fall include: Lisa Jo Barber, Thomas Bolick, Andrew Burkley, Candace Grigsby, Anna Hagemeister, Michael McMillan, Laurie Micr, Dana Mirate, Peter Opperman, James Petrie, Joell Schans, Jennifer Smith, David Teddy, Danielle Waldorf, and

Kristen Walker. The induction ceremony took place on October 19, 1989, in the Joseph Stripe Auditorium, with friends and family members in the audience. Carl Naughtin, GHS Principal, welcomed those in attendance; then Michael duced the current membership. NHS President Melanic Ojala performed the opening ceremony, introducing student speakers on the "Qualities of NHS Members:" Scholarship. Hannah Peterson; Leadership, Kevin Austin; Service, Nicole Trenary; and Character, Paula Nunn.

Melanie introduced the new members to the audience and led them in the National Honor Society pledge, after which Mr. Dean and Mr. Naughtin awarded them membership certificates.

Once a member of NHS, students are expected to earn service hours. One method in which they serve the school community is to offer tutoring every Tuesday and Wednesday morning before classes begin. Members also usher at a variety of school functions.

No, this hasn't been the hardest winter ever in Crawford County, but it sure seems to be one of the longest ones. Snow came — almost a foot of it — on November 16 and it never went away. While the southern half of Michigan has watched the snow come and go, we've had snow on the ground for 113 days (and counting). There's a lot of snow left in the woods and it isn't likely to be a

Yes, we got a little spoiled by the easy winters during the 1980's. On March 8th, 1987, it was 61 degrees and the snow was gone by March 17th that year. In 1984, most of the snow melted at the end of February when tempera-

For some local residents, this is the most depressing part of winter. They're waiting, just hanging on, watching for the spring weather to break through.

Some people head south in February and March and beat the cabin fever. Many people around here don't go south and they say they don't want to. They say the crowds down south turn them off or they don't like the travel. Others don't have the money or don't want to

Whatever people here do, head south or not, it's the people who complain about the weather who puzzle me. Hey folks, weather records show that overall the seasons have stayed about the same in Michigan. In winter we're going to get ice and snow, in spring it warms up, summer brings hot temperatures and thunderstorms, and fall gives us cool crisp weather.

Isn't it sort of silly to complain about the snow and cold being here during winter?

Is it my imagination or do some people who complain about the cold also bellyache about the hot weather we have? It's too cold for them in April but when the June warm weather comes, they've already had enough of the

You just can't please some people. Michigan gives you practically every kind of weather under the sun (and a whole lot of weather not under the sun) and that still doesn't satistify some people. They still haven't learned the old Michigan saying "If you don't like the weather,

And they probably haven't learned that old saying applies to every month except March when there's nothing you can do speed up the arrival of spring.

> Mr. Johnson decries Mr. Bush's approach as way too small - "we've got a \$100 billion problem here in the U.S., and the presidents come up with just a \$9 billion solution".

But to treat the problem through the demand side of the equation would be far, far more expensive, even if it might be more effective.

EDUCATION IS UNDOUBTEDLY the best and most effective long range cure for the havoc drugs have wreaked on

But education, too, is expensive, and it takes time ... probably a generation, or maybe two or three, to get the story across effectively that drugs are bad and should be avoided.

America's drug problems did not arise fully developed, in a year or two. They developed over a period of years, as the notions of society gradually changed, making drug usage in some circles either tolerated or desirable.

To change that emphasis will take quite a bit of doing. It certainly is worth a try.

And Mr. Bush — along with Presidents Virgilio Barco of Colombia, Alan Garcia of Peru, and Jaime Paz Zamora of Bolivia — deserve our gratitude for their attempts to bring some sense out of the chaos drugs have brought to the world.

"Look, dear, the first sign of spring."

just wait ten minutes and it will change."

Let's Talk About It

I, like a lot of people at this time of year, have had a bad case of cabin fever. I'm just plain tired of sitting around the house and want to get out and get to doing. For a while it seems pretty good to have lots of time to read and putter around, but by spring the walls seem to be closing in on us. We wait with baited breath for the weather reports hoping for a spell of sunny days and high temperatures. When they predict stormy weather we are ready to throw a chair at the T.V. Not many people comment on how pretty the snow is at this time of year. Most of us are plain sick of the sight of snow by this time.

As the days get longer and we start seeing more of the sun we start dreaming of warm days and green grass and flowers. The first person to report seeing a robin becomes a local hero. By the time this appears in the paper the month of March will be here and we can start dreaming of spring for real. Before long the snow will be gone and we can step outside the house without having to dress like we were heading for the north pole. Some folks ask me why I don't go south to spend the winters, I guess I just don't want to miss that great feeling that spring brings us after the long winter.

I am anxious for the week I look in the Avalanche and see a long list of yard sales. That is how I spend a lot of time in the summer, I have to go checking all the yard sales around town looking for goodies. Most of the time it's just looking, but once in a while I see something I can't live without. Some time I will have to have a yard sale to get rid of all that stuff I just had to have.

About this time of year I start thinking about those Morel mushrooms and start praying that this will be a banner year for them. The past few years have been a real bummer but maybe this will be one of those years when they seem to be every where you look. I sure hope so.

I started this column in the hope of recording some of the history of this area with the help of some of you old timers. I believe most of you have stories to tell that would be interesting to a lot of people. Please, if you have some stories of the old days you would share with us, give me a call so we can get together. My number is 348-8308. They don't have to be great earth shaking events, just stories of life back in the good ole days.

Daffodil Days Spread Sunshine

The Crawford County Unit of the American Cancer Society will be having their fifth annual Daffodil Days, March 20th.

Once again they are offering 4 "Sunshine bouquets" for \$15. Each bouquet will consist of 10 daffodils, and will bear a tag designating you as the sender. They will deliver the bouquets to such sites as the hospital and manor, health care facilities, and the homebound and elderly in our community.

Due to limited manpower, they are unable to deliver individual requests. However, if you wish, your bouquets can be delivered to your work place for the recipient of your choice.

A member of the Daffodil Days committee will be contacting you for your order February 23rd through March 6th.

look at the best route for their sponsorship.

In addition to enlisting local support, the ambulance committee hired Anderson and Associates, a consulting firm from Battle Creek, to help them draft the articles of incorporation, by-laws and a budget that will support the ambulance's operational expenses based on the number and type of each ambulance run: emergency, non-emergency, transfer, etc. Wakeley said the firm has put together two successful non-profit ambulance corporations.

Larry Anderson, owner of the firm, and one of his associates will be in Crawford County for two days during the week of March 12th to conduct interviews with persons involved in the county's emergency medical services.

Wakeley, said the information from these interviews along service.

with information about the county's current ambulance servrepresentatives from business/industry in the near future to ices provided by CCAC director, Tony Doremire, will be the basis for the corporation's draft budget and operating plan.

Anderson and Associates' \$6,000 service fee is being shared by the two sponsors of the ambulance, the county and Mercy Hospital. Noreen Davis, Vice President Patient Care Services/ Operations, represents Mercy Hospital on the committee.

Once the budget and articles of incorporation are received from Anderson and Associates, Wakeley said organization of the ambulance corporation would happen quickly, as early as this spring. He said once formed the ambulance will probably be governed by a seven member board consisting on one representative from each sponsor with this group selecting the remaining members to serve staggering terms.

In the meanwhile, the county is continuing to fund the CCAC. Last year the county paid \$21,900 for ambulance

GMS Band Earns Top Scores at Districts

By Nancy Lemmen

For the third year in a row the four judges were unanimous, so for the third year in a row the Grayling Middle School Band returned home from the District II Band Festival with a straight I (superior) rating.

The 72-member GMS Band, composed of 7th and 8th grade students, performed March 3 in Traverse City at the Michigan School Band and Orchestra Association's (M.S.B.O.A.) Middle School District Band Festival.

The adjudicators were enthusiastic in their praise of the band's efforts. Wrote one: "A fine appearing band. The uniforms look sharp and clean and I get a good first impression before you start... The band has excellent understanding of the music in relation to melody and harmonic line.

He continued, "This is very challenging music and is being played with a music sensitivity. I would much rather sit back and listen than write... the overall effect of the band is super."

The judges were especially complimentary of the efforts of GMS Band Director Dennis Ormsbee: The sight reading judge wrote: "Your director is doing a fine job. Keep working with him."

Another one advised: "You have an excellent teacher who is doing a super job with you.

Obituaries

Douglas Knuth

Douglas G. Knuth, 62, of Grayling, died at Grayling Mercy Manor, on March 4, 1990. Graveside services will be at at 2:00 p.m., on Tuesday, April 10, 1990, at Elmwood Cemetery, with Dr. Dennis Paulson officiating. Arrangements are being handled by Sorenson Funeral Home, McEvers Chapel.

Mr. Knuth was born to David and Olive (Best) Knuth. in Elmira, Michigan, on December 2, 1927. He had been a former longtime Grayling resident, and had moved back to Grayling eight years ago from Kalkaska where he had lived for six years. He served in the Army Air Corps during WW 11.

He is survived by 3 daughters: Phyllis Moritz, of Salem, Oregon, Linda Pelton and Cathy McGuire, both of Grayling, 1 son: Ronald Knuth, of Riverton, Wyoming, 2 sisters: Ione Vosler, of Shepherd and Juanita Gibson, of Grayling, 13 grandchildren and 1 great grandchild. He was preceded in death by his wife, Maxine.

Continue to follow his teaching."

A third adjudicator concluded: "This was a wonderful group... musically very sensitive... bravo... you have an excellent teacher and a tremendous tradition of excellence at your school."

The band performed three pieces: "Noble Quest" by Balent, "American Pioneer Suite" by Fox, and "Invincia" by Spears. Director Ormsbee chose the first and third from the state high school list, grade 3. (Music is graded from 1 to 6, with 6 being the most difficult.) The Fox suite came from the M.S.B.O.A.'s Class A school list, even though the Middle School competed in Class C.

As with the High School's performance the week-end before, Mr. Ormsbee was again appreciative of the support his group received from friends and family. He said, "There were a lot of Grayling people there. We nearly filled the sight reading room. The judge commented that it was nice to see so many people.

Obviously pleased with his group's performance, he concluded, "The band performed well on Saturday, especially for the caliber of music they played."

Now it's back to the practice room for the GMS Band, as they must prepare to compete at the State Festival in two months. The event is planned for Grayling, so local residents will have an opportunity to hear Mr. Ormsbee and his young musicians perform in early May.

Don't lose sleep over retirement funds. Just rollover.

It's a common nightmare. You're about to receive a lump-sum distribution from your company's pension plan. How you invest it will determine your security in the years ahead. Which investment? How much? What about taxes?

Fortunately, there's a financial plan that can put all these anxieties to rest.

It's the Rollover IRA, from Old Kent Bank.

If your company's pension plan now has funds available to you due to retirement, separation from service, or disability, we have an individual retirement plan that will fit your needs.

And, by rolling your pension plan monies into an IRA, you benefit by deferring taxes on the amount invested, as well as the

Maybe the best way to sell yourself on Ford trucks, is to test drive Chevy. Because then you'll start noticing certain things. Such as the fact that Chevy full-size pick-up trucks lack Ford's choice of four multi-port electronic fuel injected engines, our Ford F-Series pick-up's larger, standard

six cylinder engine with more load pulling torque, and our longer, wider, deeper, cargo box. Plus Ford gives you a better choice of options grouped together for greater savings — Chevy doesn't." GHS Spirit Week Ends With Victory Over Soo

SENIORS SHOW their support.

KRISTIN WELCH gets a little help from Chris Collen to reach the high part of the snowman.

The Grayling High School Student council sponsored the 2nd annual Spirit Week from February 26 through March 2, with games and activities designed to promote school spirit. Monday was declared Tie Dye Day. All students and faculty

were encouraged to wear an item of clothing that was tie dyed. Student Council provided free ice cream at lunch for everyone and also gave a free can of pop to every student who had made the Honor Roll.

Tuesday was Formal/Dress-Up Day. Some students came to school in their Sunday best, others in outfits previously worn for formal occasions. The E.M.I. class sponsored a nacho sale during the entire lunch period.

Wednesday was designated Twin Day, with duos of students dressing alike. Thursday was College Shirt Day. Many

students and faculty members wore t-shirts or sweatshirts with college logos on them. It was Pizza Day in the cafeteria, with personal pan pizzas from Pizza Hut sold to students for \$1.00 On Thursday, outdoor games were held during part of the afternoon. Students competed in winter volleyball, snowman

build, pyramid build and sled pull competitions. Friday was Green and White Day, with students and faculty encouraged to wear the Viking colors. The sophomore class sold green-tinted carnations. During 3rd period, a Spirit Assembly was held, featuring the GHS Band and introductions

of all GHS clubs and organizations.

Spirit Week culminated with the junior varsity and varsity basketball games and an after-game dance, sponsored by the freshman class.

26% of GHS Students Take Spanish

Governor James Blanchard and the Michigan State Board of Education have declared March 4-10 as Foreign Language Week in Michigan.

At Grayling High School, 26% of the student body is enrolled in the Spanish program, compared to the state average of 11% and the national average of 17% in foreign language classes.

The high school counseling department encourages all coilege bound students to include at the very least one year of Spanish study at GHS. More able and eager foreign language students can continue through second, third, and even fourth year Spanish. In the 1989-90 academic year, 77 students enrolled in 1st year Spanish, 30 in 2nd year, seven in 3rd year, and nine in 4th year.

Nancy Lemmen, Spanish Department instructor, said that Spanish study not only enriches students' knowledge of the Hispanic countries, but also enables them to develop a more complete understanding of their own language and

Furthermore, she explained,

many colleges and universities now require their students to study foreign language. If they are well prepared by three or four years of high school study, they will find their college courses more manageable and may even bypass more basic classes via good

scores on competency tests. She added that some undergraduate schools are encouraging their students to get second majors in a foreign language to complement their primary field of study and to make them stronger candidates on the job market.

The GHS Spanish Department will celebrate Michigan Foreign Language Week belatedly, when students from 1st-4th year classes attend the 4th annual Foreign Language Day at Northwestern Michigan College in Traverse City on March 20.

THE FOLLOWING IS PUBLISHED BY DIRECTION OF THE MICHIGAN PUBLIC SERVICE COMMISSION IN CASE NO. U-9174-R

NOTICE OF HEARING

On February 28, 1990, Michigan Consolidated Gas Company (MichCon) filed an application with the Michigan Public Service Commission (Commission) for a Gas Cost Recovery (GCR) Reconciliation proceeding for the 12-month period ended December 31, 1989. MichCon proposes to refund an overrecovery of approximately \$11.6 million and \$34.7 million accumulated in its refund liability accounts through a credit to be applied to customer billings.

MichCon is a Michigan corporation with principal offices located at 500 Griswold Street, Detroit, Michigan and is engaged in the distribution and sale of natural gas to approximately one million residential, commercial and industrial customers in Michigan.

MichCon's filing, including its testimony and exhibits, is available for inspection at the offices of the Commission's Executive Secretary, 6545 Mercantile Way, Lansing, Michigan, and at the offices of Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan.

Jurisdiction is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seg.; 1982 PA 304, MCLA 460.6h et seg.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

NOTICE IS HEREBY GIVEN that: A. A public hearing in this matter will be held at 9:00 a.m. on March 23, 1990, in the offices of the Commission, 6545 Mercantile Way, Lansing, Michigan. The hearing will be in the nature of a prehearing conference and will be held for the purpose of considering matters which will expedite this proceeding. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission shall file with the Commission, on or before March 16, 1990, an original and 12 copies of a Petition to Intervene, with a Proof of Service indicating service upon Mr. Dennis R. O'Connell, Legal Department, Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226. Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

IT IS HEREBY DIRECTED that:

A. Michigan Consolidated Gas Company shall, on or before March 9, 1990, mail a copy of this Notice of Hearing to all cities, incorporated villages, townships and counties in its gas service area, as well as to all intervenors in Cases Nos. U-9174 and U-9434 (Mich-Con's 1989 and 1990 GCR Plan cases). Proof of Service shall be filed at or before the scheduled prehearing conference on March 23, 1990.

B. Michigan Consolidated Gas Company shall cause to be published on or before March 9, 1990, a Notice of Hearing in daily newspapers of general circulation throughout its gas service area which shall set forth the substance of this Notice of Hearing. Affidavits of Publication shall be filed at or before the scheduled prehearing conference on March 23, 1990.

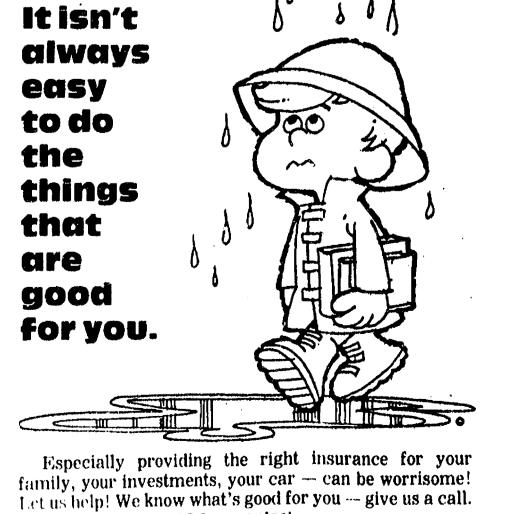

494

C. Michigan Consolidated Gas Company shall, on or before March 23, 1990, serve upon each person who has petitioned to intervene in accordance with Rule 11 a copy of the written direct testimony of its proposed witnesses and the proposed exhibits as filed with the Commission. Proof of Service shall be filed with the Commission on or before March 30, 1990.

D. All parties who intend to intervene in this reconciliation proceeding shall commence formal discovery, if desired, of Michigan Consolidated Gas Company immediately.

PUBLIC NOTICE

The County of Crawford through the Crawford County Housing Rehabilitation and Community Development office is proposing to make application for a Housing Preservation Grant through the Farmers Home Administration. The grant application will be for \$150,000 to be used for very-low and low-income families, county-wide, single family units, owner-occupied for housing rehabilitation which would contribute to the health, safety and well being of the occupant as well as contribute to the structural integrity or long term preservation of the unit without discrimination because of race, color, religion, sex, national origin, age, marital status, or physical or mental handicap if such person has capacity to contract.

The proposed project will provide loan funds through the Crawford County Housing Rehabilitation and Community Development office to rehabilitate single family owner-occupied housing.

Comments will be accepted at the Crawford County Courthouse in the Crawford County Housing Rehabilitation and Community Development office between 8:30 a.m. and noon or between 1:00 p.m. and 4:30 p.m. Monday through Friday. The courthouse is located in downtown Grayling at the south end of Michigan Avenue. Anyone wishing to telephone in comments may do so during the same times at 517/348-2841, ex. 253. Comments will be accepted until April 15, 1990.

Group to Assist Homeless Animals

They're called Concerned Citizens for Animals and their main goal is to assist the animal shelters of Crawford and Roscommon Counties, says founder and President Betsy Mitchell.

Organized in January of 1990, CCFA presently has a small membership. But the animal shelters support group is hoping that more people will pay the nominal \$10 membership fee to join, and some of them will volunteer for board of directors positions and for fund raising projects.

CCFA's first major fund raiser will be an All-You-Can-East Spaghetti Dinner on Saturday, March 10, at the American Legion Hall in Grayling. The dinner, which will run from 5-9 p.m., will feature salads, homemade desserts and beverages with the fea-

Crawford County Road Commission

Minutes of January 5, 1990 Regular Meeting

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Norman Parker, Commissioners Gloria Kraus and Clyde Anthony, Engineer-Manager John Keir, Accounting Clerk Joanne Thompson, Chairman of Roads & Bridges Bob Nelson and Irene Pettyjohn, representative from the Crawford County Ava-

The minutes of the previous meeting of December 22, 1989 were read. Commissioner Kraus made a motion to accept the minutes seconded by Commissioner Anthony. All voted in favor, minutes approved.

Payroll Voucher Number 1 in the amount of \$33, 595.67 and Material checks numbered 16057 through 16063 in the amount of \$3,471.90 were presented to the Board for approval. Commissioner Anthony made a motion: to accept the vouchers, seconded by Commissioner Kraus. Material Checks 16026 through 16056 for \$4,134.76 were ratified.

The bids were opened at this time for a Single Axle Cab & Chassis and no bids were received to sell a 1957 used buildozer. The results are as follows: Woodland International \$40,598.50 Motor City Ford \$40,627.00 Grand Traverse Auto \$40,917.00

Duthler Ford Truck \$40,920.40 Central Ford \$41,099.58 The Board thanked everyone in attendance and shall make a decision after

further review of the bid specifications. One permit was reviewed and signed for Union Oil company of California to bury a four inch gas line along County Line Road in Beaver Creek

Discussion was held on Billman Road. McMasters Bridge funding was addressed. The Board feels it imperative to contact the County Commissioners, township supervisors, residents, emergency services, schools and all concerned to write to their Congressman to make certain the funding is available this year to repair this critical bridge.

The maintenance contract was signed with Northeast Radio Engineers for continued radio service.

A motion was made by Commissioner Kraus and supported by Commissioner Anthony to have Chairman Parker remain as Chairman of the Board for the 1990 year. Chairman Parker made a motion to have Commissioner Kraus remain as Vice-Chairman and Commissioner Anthony remain as Drain Commissioner for the year of 1990. All voted in favor.

Ed Holtcamp, Beaver Creek Fire Chief, appeared before the Board to update them on the B-911 numbering system. He is still finding duplicate road names and roads with north, east, south and west in the name very confusing. The Board recognizing the importance of the Numbering System will be contacting the Townships to help in resolving this problem.

Engineer-Manager Keir was instructed to set up bid specification for a hopper box, underbody blades and grader blades. He is also to remain on the Emergency Service Committee.

Engineer-Manager Keir informed the board of a County Road Association Meeting in Lansing this March.

David Sabin, Attorney, appeared before the Board. After reviewing the reappraisals of the Road Commission property, it was noted that the bid proposal from King Venture was the highest received and above the updated reappraisals. Therefore, a motion was made by Commissioner Clyde Anthony, seconded by Chairman Norman Parker to accept the offer with stipulations. Commissioner Kraus is opposed to a stipulation regarding occupancy.

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

OB NURSES If you enjoy the autonomy of delivering nursing care in an obstetrical unit that works in partnership with physicians and

allows patients many choices in their birth experience, then Mercy Hospital, Cadillac has what you are looking for. Our growing family centered unit allows us to assist the expanding family in their birth experience and their

development of baby care and parenting skills. We are able to provide care through all aspects of labor and delivery. C-sections are performed within our department and we are proud of our low 18% C-section rate. We offer unit based programs such as Early Pregnancy Class, Childbirth Education, Sibling Class, Early Discharge Program with home follow-up and Bereaved Parents Support Group.

Orientation will be with an OB nurse preceptor. Plus we offer Clinical Ladder and 75% relmbursement for certification and tuition reimbursement for continuing education.

Resources Department at (616) 779-7323.

Bring your ideas and enthusiasm and we will give you the autonomy to put them to use.

PUBLIC NOTICE

Below is a summary of the final Northeast Michigan Summer Youth Employment and Training program for calendar year 1990. The Plan will be available at the SDA office: Northeast Michigan Consortium, Attn: Lee Anne Parish, P.O. Box 711, Onaway, Michigan

Total Program Funds Planned for the summer of 1990 - \$813,098. Program Components for economically

disadvantaged youth 14-21 years old: 1. A work experience program will be conducted during the summer months for 250 JTPA eligible youth. This program will provide up to 35 hours per week of work experience in the public sector with a \$3.80

> wage rate. 2. A career exploration/life skills/remediation program will be conducted for 100 youth.

Your comments or questions are welcome. Please address them to Lee Anne Parish, Program Assistant, 517-733-8548.

PUBLIC NOTICE

The following is a summary of the proposed Northeast Michigan Consortium's Economic Dislocation and Worker Adjustment Assistance Act (EDWAAA) activities for program year 1990:

PY'1990 - \$253,795 1. Description of Planned Activities: Outreach, eligibility determination. aptitude/interest assessment, and the development of a detailed personal plan of action toward full re-employment will precede the core form of retraining services - on-thejob training. Dislocated workers requiring intermediate program steps to remedy specific barriers to employment (i.e. literacy, job seeking skills, etc.) will benefit from a regional program integration effort to coordinate these services among various

2. Retraining Services: Dislocated workers will be enrolled in on-the-job training for 32 weeks at an average wage of \$5.00 an hour. Employers will be reimbursed for training at 50% of the participants wages. Dislocated workers will receive vocational training in area skills centers or community colleges to prepare them for the changing

response efforts in northeast Michigan will M.E.S.C. Immediate technical assistance will be provided to employer and employee groups affected by plant closings or mass lay-offs. The goal of this process, to be development of a coalition working under a response to the needs of area dislocated

A draft of this proposal is available at the SDA

Important Notice Relative To **Delinquent Taxes**

Because the list of delinquent tax lands for tax sale advertising must necessarily be made up several months ahead of time in order to get it in the printer's hands, several descriptions are listed in the Crawford County list on which taxes have been paid.

IF YOUR 1987 AND PRIOR YEARS TAXES HAVE BEEN PAID YOUR LAND CANNOT BE SOLD IN THE MAY 1ST, 1990 TAX SALE.

If you have not paid your taxes and your land is listed for sale, you must pay at any time up until Monday, April 30, 1990.

We shall be glad to answer any other questions

you may have about the tax sale here at the

A Look At Our Past

John Hunter, a Sophomore at Grayling High School, won the annual Declamation Contest held on Wednesday, March 1st. The contest was presented as a general assembly for the entire student body. His winning declamation was entitled "The Constitution and Individual Freedom".

The Grayling Vikings were eliminated from the Michigan High School Athletic Association's state basketball tournament in their first district game last Thursday night at the Gerrish-Higgins High School gym at Roscommon by the Harrison Hornets by the slim count of 61 to 57.

A Grayling girl has become a United Air Lines stewardess and is serving aboard aircraft flying from Chicago.

Miss Lauri Anne Olson, daughter of Mrs. Anne Olson and Nels Olson was graduated from United's stewardess school near Chicago's O'Hare International Airport after successfully completing a 5 1/2 week training course.

Kirtland Community College has been awarded the first State grant of funds for the creation of the college. The sum of \$21,600, was recently received by the treasurer, to be devoted to the development of a campus master plan and an instructional facility. The grant was authorized under Act 284 of Publics Acts of 1986. Under this act funds were released to community and junior colleges throughout the State for capital outlay and college facilities. A total of \$314,500 was distributed to all of the community colleges and junior colleges. Allotment of funds of the various institutions in any one fiscal year is determined by approved projects and the progressive state of developments at the various colleges. Under statue, colleges may receive aid from both State and Federal sources. State Aid for capital outlay may equal 50% of total construction costs and Federal Aid may equal 25% of the total, but if Federal Aid is granted the State contribution is reduced in the amount of 50% of Federal Aid. Statue does not require that these government grants equal the amounts specified; economic conditions affect total

allotted to any one institution. Miss Carlajean Moshier, daughter of Mr. and Mrs. Charles Moshier will spend her summer in Denmark as Grayling's representative in the foreign exchange program. Previous students from Grayling who benefited from this program are Bill Joseph, George Stancil, Cheryl Smock, Lynn Elsey, Rhea Stripe, Mike Worden, Nancy Knibbs and Nancy Dykema.

March 10, 1942, two years ago, will have memories of the big, record breaking snow storm at that time. Snow fell constantly from Sunday until Tuesday noon. It looked as though we could never shovel out. Snow plows dug out two lanes in Main Street and people on one side of the street couldn't see those on the opposite side. In fact, from the front window of the Avalanche we couldn't see the tops of the doors at the Dawson store. The storm subsided Tuesday noon and townspeople got out and shoveled. Public and private trucks took part in the hauling, and after store closing time the proprietors, clerks and others got out and helped fill them.

Little Karen Marie Hanson was one year old on Tuesday, March 7th, so her mother, Mrs. Ronnow Hanson, entertained with a family party. Mr. and Mrs. Owen Reid of Twining, Mrs. Jess Green and grandson David Dougherty of Roscomin construction of buildings mon were out of town guests. Karen was made quite happy with the many gifts she received.

STRAY COLLIE--This beautiful collie is a stray that was not claimed at the Crawford County Animal Shelter by his owners. He is about 4 years old, housebroken and will make an excellent pet. Shelter hours are Monday through Friday from 1-3 p.m. and on weekends from 11 a.m. to 12:30 p.m.

Animal Care Tip

Salt and other chemicals used to melt snow can irritate and burn the pads of pets' paws, and can also burn their mouths and stomachs when they lick their paws.

The Animal Protection Institute of America recommends that you wipe your animals paws with a towel if they have walked on salted or chemically treated sidewalks or roads.

In the mid-1800's, sandhills were found throughout the state until loss of wetland habitat, uncontrolled market hunting and other aspects of increased human impact contributed to a decline in num-

Population surveys from 1931 through 1987 indicated an increase in nesting pairs of sandhill cranes in Southern Michigan from 17 to 630. This was accomplished through legal protection of the bird itself and through habitat protection, funded by the purchase of hunting licenses. A strong population of cranes in the Upper Peninsula contributes to an overall population of 4,000 in Michigan.

Sandhill cranes migrate north from their winter range in early spring, arriving in Michigan in March and moving further north as the weather permits. After courtship, cranes nest in wetlands as remote from people as possible, although some have seemed to adapt to human encroachment and nest within sight of human activities. Generally two eggs are laid, but only one chick survives, spending the next year with its mated-for-life parents. The young are forced out of the territory the following spring to wander alone until mating

In flight, cranes fly with neck and legs extended fore and aft, which makes them easy to distinguish from herons, which fly with an "S" shaped curve of the neck.

Last week while I was waiting for a school group to arrive at the park, there was ample opportunity to watch some of the wildlife that frequents the day use area. A casual observer might have thought the red squirrels were playing tag since they were racing up and down the trees as well as between the trees. We might think of courtship in the wild, at least, as a game of tag. The ravens and the crows are now frequently seen in pairs, so even in the world of birds courtship and renewal of bond is going on. Ravens and crows are thought to mate for life like the eagles do.

The eagles are back in the area and by this time they should be sharing incubation Aug. 23-Sept. 22 duties just as the owls are doing. FRUSTRATION

Yesterday the sky was bright and blue The warm sun was shining down Our hearts felt so much lighter Thinking perhaps spring had come to our town

Today the cold north wind is blowing Dark skies are filled with snow We are filled with aloom and frustration As we watch it drift and blow

Yesterday was filled with promise Today is filled with gloom As I watch the snow pile up Where I hoped to see flowers bloom

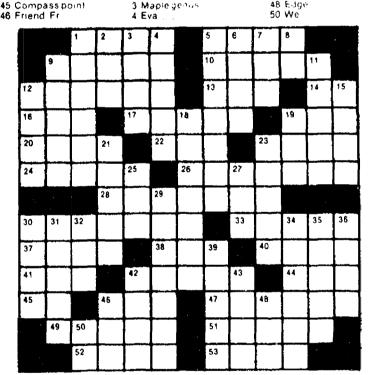

But with time this too will pass Once more the bright sun will shine This feeling of frustration will be gone Once more we'll all feel fine

Some day soon spring will come for real The bright sun will shine each day We'll rejoice as the snow disappears And we again see children at play

Even though we are having a setback To those dreams of an early spring Think ahead to all the joy The days of spring will bring

TO ALL INTERESTED AGENCIES, **GROUPS AND PERSONS:**

On or about March 15, 1990 the above named Crawford County will request the U.S. Department of Housing and Urban Development to release Federal funds under Sec. 17 (a) (1) (A) of the United States Housing Act of 1937 for the

following project: Rural Rental Rehabilitation Program (RRRP) Rental Housing Rehabilitation Crawford County, Michigan 1987 \$10,000.00 funds 1988 \$40,000.00 funds

An Environmental Review Record respecting the within project has been made by the above-named Crawford County which documents the environmental review of the project. This Environmental Review Record is on file at the above

address and is available for public examination and copying, upon request. Crawford County will undertake the project described above with the Rental Rehabilitation Program funds from the U.S. Department of Housing and Urban Development (HUD), under Section 17 (a) (1) (A) of the United States Housing Act of 1937. Crawford County is certifying to HUD that Crawford County and Robert McLachlan, in his official capacity as Chairperson, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action; and that these and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval Crawford County may use the Rental Rehabilitation funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an obligation to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) That the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD; or (b) that applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to MSHDA on behalf of HUD at 401 S. Washington Square, P.O. Box 30044, Lansing, Michigan, 48909. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after March 14, 1990 will be considered by HUD.

Lovells Extension Meets March 14

During the February 14th meeting of the Lovells Extension a decision was made on the theme of the float for the Lovells Heritage Daysparade. Members also decided to assist the 4-H Bake Sale on April 28th and applications were distributed for college week scholarships. Carol' Ralph won the prize for the best Valentine box and Mildred Johnson won 50-50. Marge Wright became a new member.

Gail Edwards, Home

Economist, lifted the members spirit and outlook with her lesson on "Humor in your Life". Drawing from her own experience, Ms. Edwards is in accord with what researchers believe that a hearty laugh may release endorphins, the brain's own pain-killing chemicals, and helps strengthen the immune system. Recognize what makes you laugh and put more of it in your life to relieve stress and tension.

The March 14th meeting will be hosted by Faye Gallagher and Mildred Johnson. The program will be presented

by Kitty Pellegrini.

The Risen Lord!

Mary Magdalene was the first person to see the risen Lord. Proverbs 8:17 reminds us: "I love them that love me: and those that seek me early shall find me." Mary's search for the Christ was not motivated by faith, but by love. She was unmoved by the evidence of the empty tomb and grave clothes. "But Mary stood without at the sepulchre weeping: and as she wept, she stooped down, and looked into the sepulchre." (John 20:11). She was unmoved by the heavenly beings at the tomb. "And seeth two angels in white Newberry was the Hostess and sitting, the one at the head. Vi Middleton won the door and the other at the feet, where the body of Jesus had lain. Their next meeting will be And they say unto her. 7:30 p.m. March 12 at the Woman, why weepest thou? clubhouse. This will be a She saith unto them, Because

they have laid him." (John 20:12, 13). Mary was weeping by sight, rather than rejoicing by faith. In fact, Mary was unmoved by the bodily presence of her risen Lord. "And when she had thus said. she turned herself back, and saw Jesus standing, and knew not that it was Jesus." (John

resurrection by weeping in unbelief. Then when Jesus Christ calls her by name she responds in worship. "Jesus saith unto her, Woman, why weepest thou? whom seekest thou? She, supposing him to be the gardener, saith unto him, Sir, if thou have born him hence, tell me where thou hast laid him, and I will take him away. Jesus saith unto her, Mary. She turned herself, and saith unto him, Rabboni; which is to say, Master. Jesus saith

Lord, and I know not where unto her, Touch me not; for I am not yet ascended to my Father..." (John 20:15-17a). The good shepherd calls His own sheep by name, and they know His voice. (John 10:3).

The last response to the resurrection by Mary moved beyond weeping and worship to witnessing. Jesus Christ had commanded her: "... but go to my brethren, and say Mary first responds to the unto them, I ascend unto my Father, and your Father; and to my God, and your God. Mary Magdalene came and told the disciples that she had seen the Lord, and that he had spoken these things unto her." (John 20:17b, 18).

> What is your response to the message of the resurrection of Jesus Christ. Has this miracle of redemption left you faithless, sad, and weeping? Have you accepted His death. burial, and resurrection for

your sins, and are now following the voice of His Word in worship? The greatest expression of our faith in the resurrection comes through our witnessing to others. Mary became the first missionary to carry the message of the resurrection! Are you a witness? (Hear "The Bible Speaks" Tuesday at 12:15 p.m. on

WOON 100 FM). Pastor "B"

tire of winter... the cold weather, stalled cars, lingering patches of snow. We anticipate rebirth. We dream of tiny green buds, with their translucent skin, springing from bare limbs. We picture tulip bulbs planted in the fall magically pushing through the thawing earth to form a colorful kaleidoscope of color. On rare unseasonably warm days in Februar the sun teases us, glistening on ice which has yet to surrender. But spring is on the horizon. We can survive just a few more weeks of winter. As we anticipate spring, consider God and

the warmth of His love. Learn to know Him. Visit Him in His house of worship this week. You can anticipate spring in your life all

Only 35 Yearbooks Left to Purchase

The Grayling High School 1990 SAGA Yearbook Staff sold 210 yearbooks in their early sales promotion which ended on February 14. The SAGA staff sold yearbooks at last year's price of \$18 and offered purchasers an opporfree listing of their event in tunity to win prizes in a Valentine's Day drawing.

First prize went to freshman Melissa Miller, who was awarded a free embossed yearbook, compliments of the fice at least one week prior to yearbook staff. Second place the publication date if you prize winner was freshman Gretchen Dice, who won a large box of Whitman's candy,

donated by Dollar Wise. Third place prize was awarded to sophomore Kristin Welch, who won a medium box of Whitman's candy, also from Dollar Wise.

There are still some yearbooks available for \$20 (plus \$3 for optional embossing), but the number is limited. Only 275 SAGAS will be ordered, and approximately 240 have already been reserved. So only 35 yearbooks remain available for purchase.

The 1990 SAGA Staff is still offering gift certificates for yearbooks. Printed on green paper, they would make great gifts for St. Patrick's Day or Easter.

Parents can return the order forms sent home to them last December or just send checks and pertinent information to: Nikki Trenary, 1990 SAGA Promotions Editor, Grayling High School, Old U.S. 27 North, Grayling, MI, 49738.
